Reports of an underwater facility under the Atlantic ocean, ~~may be even a full~~ city, have been recently confirmed. Intercepted communications indicate high level of technology, high threat level, hidden agenda. Key words intercepted: "Anunnaki", "Illuminati", "World domination", "Rapture", "Second apocalypse", "Hollow Earth", "Half-Life 3". We may be facing a global menace for what is left of humanity, an extermination of mankind by some intra or extra-terrestrial forces alien to our way of life. May know ways of travelling through Earth itself, striking when and where they please.
